

Section 11: Relationship to Comprehensive Plan

The Volusia County and City of Ormond Beach Comprehensive Plans are replete with Goals, Objectives and Policies that support and reinforce the Goals of the Ormond Scenic Loop & Trail Scenic Highway. Each element in the respective plans was analyzed and the following chart was developed to document the support. Both Comprehensive Plans have numerous specific references to Scenic Highways and complete sections devoted exclusively to Scenic Highway protection.

The CAG has been working with Volusia County and the City of Ormond Beach to assure that a map of the Corridor, the Corridor Vision and the adopted Goals, Objectives, and Strategies will be added to both Comprehensive Plans once the Ormond Scenic Loop & Trail is designated a Florida Scenic Highway. The Ormond Scenic Loop & Trail CME will continue to represent the Corridor in public meetings in support of the Comprehensive Plan amendments.
